

President's Message

By Brad Reynolds

***New Years greetings to all friends of the
Torrance Sister City Association -
Happy 2026!***

My name is Brad Reynolds and I'm excited to serve as the incoming President for 2026. I served on the Board of Directors last year, and my son Aidan Reynolds was a Student Ambassador in 2024. My term has already started off quickly, with much to learn and many TSCA activities happening in the first part of the year.

Alumni Reunion

The Alumni Reunion Luncheon in January was another wonderful gathering of those TSCA associates spanning the many decades of its existence. We welcomed new families as well, when this year's candidates for Student Ambassadors to Kashiwa were introduced to us all. It was also great to see numerous Ambassadors from recent years, as well as a few from many years past.

Thank you to the Alumni Reunion Committee, chaired by Joni Kneller, for making this event as fun and lovely as it was. I wish to offer a personal thanks to Shirley Tanaka and Mayoori Shetti for organizing the potluck dishes and packing up all the leftovers; they have handled these responsibilities for many years.

Selection Committee

Having personally spoken to all of this year's applicants, I can confidently say they are some of the best young people our city has to offer. Student Selection Committee co-chairs Aimee Arreygue and Lori Eurich are overseeing the selection process, with selection decisions announced in early March.

Board of Directors

Join me in welcoming to our Board of Directors for 2026: Greg Nadsady, Eric Freiler, Joni Kneller, and Student reps Kai Long and Isa Freiler. Returning to the Board are Eleanor Hom Jones and Felipe Segovia.

We also gratefully acknowledge the time and efforts of our outgoing Board members, Stephanie Ewing-Warner, Amie Campbell, Brian Diederich, and Mayoori Shetti.

President's Message *(continued from page 1)*

Our Executive Board welcomes Brad Reynolds as President and Steve Warner as Treasurer. We offer abundant thanks to outgoing President Karen Wheeler and outgoing Treasurer Stephanie Ewing-Warner for their service. For the complete list of all current Board members, see our website.

Bunka-Sai

It's time to get ready for our Bunka-Sai Japanese Cultural Festival, happening April 18-19, 2026. This wonderful free event is our way of sharing Japanese food, music, art, and culture with everyone. This cultural sharing is the core purpose of TSCA, to foster connection to our sister city, Kashiwa. Torrance has a deep connection to Japanese American history, and acknowledging/celebrating that connection through Bunka-Sai makes it stronger. As our primary fundraiser, money raised supports the Student Ambassador program.

Bunka-Sai doesn't just happen on its own - it takes a small army of dedicated volunteers and months of planning to make it work. If you would like to help, please join us! You might be surprised at how much fun you have. We need help with serving food, welcoming visitors, assisting performers/vendors, sales, getting silent auction donations, and even pre-event publicity. To volunteer, contact us at: bunkasaivolunteer@gmail.com.

The next Bunka-Sai planning meeting is Tuesday, February 24, 2026, at 7 pm in the West Annex. Please come to share ideas and decide how to help. We look forward to seeing you. Your continued interest and support are greatly appreciated!

Dear Friends of TSCA,

This past year has been another successful one for our TSCA programs. We are back to operating at 100% capacity, making for a very full and fun calendar year with new friendships and core memories made! The support and participation in our events and programs have truly been heartwarming, and we are proud of our positive impact on the Torrance community.

We couldn't be more thankful for your continued support through your membership dues and donation contributions—especially over the last few years as we rebuilt our programs. 2026 Adult Leader—Tanya Welsch

Tanya Welsch is honored to serve as this year's TSCA Adult Leader. Her connection to TSCA began in 2024, when her son, Colin, served as a student ambassador. Her family embraces diversity and the opportunity to learn from and celebrate cultures beyond their own, and are committed to supporting TSCA's mission. Her husband, Bryan, serves on the TSCA board, and Colin remains connected to the many friends and families he met through the program.

Outside of TSCA, she is actively involved in a local competitive outrigger canoe club, serving as both Secretary and Canoe Storage Manager since 2012. In her free time, she enjoys traveling, listening to music of all genres, and spending time with her dog.

Professionally, she has worked at Skechers USA in wholesale visual merchandising, and also held roles within the company in international marketing and events. Prior to Skechers, she spent over a decade in the music industry, working in product management and marketing at several major record labels.

She looks forward to leading and supporting this year's student delegation in furthering the mission of TSCA. After thoughtful reflection on the responsibilities of this role and the significance of this moment in our country's history, she hopes this year's delegation will leave a lasting and positive impression, exemplifying respect, kindness, and a true spirit of cooperation.

EAGLE SCOUT PROJECT

Aidan Reynolds, 2024 TSCA Delegate, earned his Eagle Scout Rank on January 8th, 2026. His Eagle Project was to clean out, reorganize, and illuminate the TSCA storage unit. He repackaged the doll set in sturdy plastic bins, which will protect them during transit to Bunka Sai and allow them to be stored more compactly. He also added portable lighting to the storage unit, which has already helped when looking for things. This project occurred on June 29th, 2025 with the help of over a dozen other Scouts and many TSCA members. The result has received numerous compliments from those that interact with that space. TSCA congratulates Aidan and wishes him well as he continues his education at the Colorado School of Mines.

Alumni Potluck Reunion Recap

By: Isa Freiler and Kai Long (2025 Student Ambassadors)

On January 10th, 2026, the Torrance Sister City Association came together and hosted the 53rd Alumni Potluck Reunion. The George Nakano Theater echoed with laughter, friendly smiles, and anticipation. Joined by 16 hopeful applicants, their families, and plenty of familiar faces, Ms. Karen Wheeler began by giving a heartfelt welcome and highlighting the dedication of the volunteers who took time and care to make this Reunion one to remember.

Following Ms. Wheeler's introduction, Mayor George Chen was invited to the podium, congratulating TSCA on over half a century of goodwill, friendship, and history. He then shared his own insight and perspective on the importance of the Torrance Sister City Association. After Mr. Chen's address, lunch commenced, tables were called, and the festivities began.

After lunch, the 2026 officers were officially installed by Rebecca Poirier, City Clerk. The new executive board is Brad Reynolds, President, Alyssa Yamauchi, Vice President, Aimee Arreygue, Secretary; and Steve Warner, Treasurer.

City Council member Jon Kaji then gave tributes to the association and recognized two officers, President, Karen Wheeler; and Treasurer, Stephanie Ewing-Warner, who served on the executive board for two years. Thank you both for your hard work and dedication to the Torrance Sister City Association. We are grateful for your contributions.

This year was also the introduction of the Kansha Award, given to an organization or individual with a long-time commitment and contributions to the Torrance Sister City Association. In Japanese, "Kansha" means deep appreciation. This year's Kansha Award was presented by former TSCA President Werner Willoughby and his wife, Aileen, to Ed and Joan Shiosaki of South Bay Judo in recognition of their support for over two decades. Keep an eye out for their judo demonstrations and popular shave ice stand at Bunka-Sai.

Clay Bakhoun, 2025 Adult Leader, presented this year's Adult Leader, Tanya Welsch. Following her introduction, the student ambassador applicants were presented by Aimee Arreygue. The student applicants introduced themselves, their family, and shared their favorite Japanese food.

A video presentation of the 2025 Delegation's trip to Kashiwa, created by Clay Bakhoun, concluded the ceremony. The video highlighted both serious and fun moments. The festivities wrapped up with everyone joining in to dance the Kashiwa Odori. As things came to a close, and guests began to disperse, students lingered for one final chat. While for some members, this may be a familiar process with familiar faces, it is surely going to be an exciting, new, and bright path ahead for these outstanding young applicants.

May Cambra Dedication Plaque

May Cambra, a past president of TSCA, passed away in February 2025. A Celebration of Life was held in her honor at JCI (Japanese Cultural Institute) in June 2025, sponsored by May's friend Shirley Okazaki. The donations received at that event from TSCA and JCI friends were used to purchase the plaque in May's honor and placed in front of a cherry blossom tree in the TSCA grove near the Nakano Theater, with the help of City Liaison, Monica Harte. No TSCA funds were used. May loved cherry blossoms.

These Solid Bonds Won't Break

By Chris Pigao (Assistant Language Teacher at Kashiwa Municipal High School (Ichikashi))

First off, I would be remiss not starting off by wishing all of the TSCA newsletter readers a Happy New Year! I hope our 2026 is filled with new opportunities, personal growth, and of course, making amazing memories that will be remembered for lifetimes.

October 2024 ~ Myself (left), Robbie, Tamaoki, Alex, & Naga-Sensei, before heading to the airport.

I, of course, put heavy emphasis on the word “remembered” because it just so happens that plans for our upcoming exchanges are starting up again. In particular, Kashiwa Municipal High School is looking at two of our sister schools visiting again within this calendar year - North High School (being our annual exchange that happens in May) and Shenton College, located in Camden Perth, Australia. Our school cycles through these exchanges bi-yearly, having Shenton College and Chengde Junior High School switching years. It’s exciting that as a member of the international committee, we not only get to share the experience with fellow Torrance students & residents, but with members of Kashiwa’s shared sister cities as well.

I had first met the members of the Shenton College international committee in the Fall of 2024. Spearheaded by longtime Japanese teacher Robert “Robbie” Poole, the students who experience the homestay exchange were provided with the same level of hospitality and dedication as they would any visitor coming to Kashiwa. During that exchange, it was a learning experience seeing how we spoke the same language while using unique colloquial terms and vastly different slang. “*Good morning*” was replaced with

“*G’day*” and how our teacher events were held in the “*arvo*,” in which I asked politely “*What does that mean?*” (arvo = afternoon). As their eventful week came to a close, I was also sad that it would be the last time I would get to see Robbie-Sensei. We said our goodbyes with him giving me these parting words, “*Remember, make your time in Japan memorable*” as he boarded the bus headed toward Narita.

As 2026 started, I received a message from Robbie-Sensei. He was in Japan on holiday with his family and wanted to surprise the staff members with a quick visit. We constructed a plan to surprise the staff members on our less busy day of the week, and successfully executed our scheme. Robbie greeted all of us with a big hug, an infectious smile, and overall positive energy that lightened our staff members for the rest of the day. I was overcome with that same cathartic feeling of when we first met, serving as a reminder that goodbyes are not definite. Albeit that it was a short period we met on that day, it felt as if time had not passed since Shenton College’s visit in 2024. I remembered what it is like to have such a strong and unique bond with the same kindred spirits, solidifying and reinforcing our friendship.

I heard this best from one of the former chaperones from Shenton College, Alex-Sensei. He had stated “*Kashiwa is the linchpin of cities*,” leaving a profound impact on the way I look at Kashiwa. Regardless of our language, distance, or culture, Kashiwa is where we all intersect—giving us a place to forge our solid bonds with the citizens of the world at large.

January 2026 ~ Yuusuke Saito, Robbie, Tamaoki Sensei, and I (right) reunited after getting Ramen Jiirō.

STUDENT TRIP REPORT

Summarized by Gail Roulette

When our seven Student Ambassadors and Adult Leader went to Japan last July, each one picked a topic of Japanese life to research, experience, and then write a report about their findings. I have been given the task of condensing their reports for the next few newsletter issues.

Student Ambassador, Nathan Kneller: The Beauty of Rural vs. Urban Landscapes in Japan

Photography played a major role in Nathan's topic, and he had many chances to use it. While he expected the urban and rural to be separate, he was most surprised at how the two sides connected with each other. In the busy and bright cities, in between the crowds and tall buildings, he found peaceful spaces like small shrines and quiet gardens.

Such was true in urban Kyoto and Hiroshima: Kyoto, with wide streets and shopping districts next to traditional wooden tea houses and historic temples; Hiroshima with tall buildings and modern transit system alongside the famous Hiroshima Peace Memorial and museum reminding of the city's tragic history.

Nasu was a good example of rural landscape, with “beautiful forests, clear rivers, and wide fields of grass stretching as far as I could see...and not many homes in sight.” Nathan got a good understanding how deeply nature shapes rural Japanese life.

Nathan's life-long dream of seeing Mount Fuji was ful-

filled when his first host family took him to several vantage points to view the mountain. Even through the clouds the mountain had a “mysterious presence that only made it more powerful in my eyes.”

So both sides of Japan are equally important, and Nathan used his photography to record small details as well as larger landscapes. In conclusion, Nathan learned “how culture, tradition, and modern life exist side by side...and each hold their own kind of beauty and meaning.”

October 2025

Dear Friends of Torrance Sister City Association,

The Torrance Sister City Association (TSCA) will hold its **51st Annual Bunka-Sai Japanese Cultural Festival at the Torrance Cultural Arts Center on Saturday and Sunday, April 18th and 19th, 2026**. All proceeds from the festival support TSCA's annual Student Cultural Exchange Program with Torrance's Sister City, Kashiwa, Japan.

Each year in July, Torrance sends eight high school students and an adult leader to Kashiwa and Kashiwa sends a similar group to Torrance in August. Both groups live with host families for several weeks, visit historical and cultural landmarks and meet with key business and government officials in each city. These student ambassadors gain invaluable experiences that enhance their knowledge and understanding of each other's culture and form many life-long friendships.

TSCA is asking for donations that will be used for drawings and/or the silent auction held during the festival. Can you please donate an item? Contributions received by March 1st are acknowledged in the program book, which is distributed to thousands of festival attendees.

The Torrance Sister City Association is a nonprofit organization sponsored by the City of Torrance and all donations to TSCA are tax deductible. **Our tax identification numbers are: Federal #:95-3079582, State #:7874400**. If you have any questions or need more information please contact TSCA member Alina Nadsady at tsca.auction@gmail.com.
